In Tribute

As a devoted teacher of Latin and an adviser to the Philomatheia Forensic Society, Miss Handt endeared herself to countless Washington students in the years between 1918 and 1957. Many of us have fond memories of her fascinating presentation of Caesar's military struggles, Cicero's ageless orations, and Vergil's poetic accounts of the wanderings of Aeneas. Those of us who knew her through Philomatheia will remember her patience, encouragement, and gentle humor as she helped the members of this club to achieve invaluable experience in public speaking. Her activities at Washington also included serving on the honor awards and commencement committees. Regardless of the function through which we came to know Miss Handt, it is certain that our lasting impression of her is that of a truly noble and kind woman.

MISS HANDT

MR. EWERS

One of the most colorful careers in the history of Washington closed when Mr. Ewers retired last September. Many of us knew him in one or more of several capacities: as chairman of the social science department, as head of the corridor monitors, as teacher in charge of homeroom A, as the adviser to the January graduating classes, or as a teacher of economics or U.S. history. These were but a few of his functions since his arrival in 1913. During his years here he also acted as the first football coach and as an adviser to the Lincoln Forensic Society. He also conducted many of the student tours held during Easter vacation. Because of his versatility, he was able to handle classes in U.S. history, economics, sociology, commercial law, mathematics, and civics with his usual capability and thoroughness. Certainly we felt a strong loss in his departure, but the enrichment of his inspiration will remain with us always.

Through the efforts of its officers, members, and sponsor Mr. Haney Boys Club is climbing the ladder of progress by leaps and bounds.

A variety of excellent entertainment has been offered to the members of the club. Programs have included a talk by Mr. Gary Kustec of the Green Bay Packers, skits, style shows and variety shows in which even some of the girls took part. This use of our local talent in addition to imported entertainment, has helped to stimulate stronger interest in the club.

But the clubbing has not stopped here. Plans are being considered for furthering Boys Club activities by introducing welfare work and other student services, and a dance sponsored by the club might soon become a part of our school social functions. These and other new ideas are steadily helping Boys Club become a moving force in our school life.

Where entertainment and service are concerned, Girls Club has shown itself to be a vital and energetic organization.

Programs at the regular meetings have included style shows, hilarious satirical skits, and talent shows all of which have given girls of many different talents a chance to take part. These programs have been both entertaining and informative.

Although not in the spotlight, many other girls in the club have made use of their time and talents in services. Whether her efforts were employed at Wood nursery, or in making a garment or a toy for a child, or participating on a committee each of these girls was able to give expression to her desire to serve.

Thus with the invaluable aid of our sponsors, Girls Club this year has truly shown itself to be an outstanding asset to the school.

VARSITY FOOTBALL

VARSITY FOOTBALL SEASON

The Purgold football team of 1958 was a team expected to go all the way to the city title. However, due to a steady stream of key injuries and bad breaks, the ball seemed to take the bad hop against Washington all season. The team went into the first game a heavy underdog against Rufus King, defending champions from two years in a row. Playing before a packed North Stadium crowd of over 8,000 the team pulled the upset of the year by thoroughly trouncing the Generals 19-2. In their next encounter the locals won a thrilling game from West 19-12. The game was marred by continuous penalties, interceptions, and fumbles by both teams. In the third game against Lincoln lightning hit the Purgolds twice. On the second play of the second half their right halfback and captain, Bill Savage, suffered a broken wrist and was removed to the hospital. The team went on to lose the game 18-6. In the fourth game, Frank Schnetger kicked two extra points to give the team a close 14-13 victory over Custer. In the homecoming game against Boys' Tech the team's inability to get their offense rolling coupled with two blocked punts led to a 19-0 loss. In their last three games the Purgolds lost a hard-fought battle to Scott 14-0 and then played good hard football in beating North and East 16-6 and 20-0 respectively.

When all-city lineups were announced, Chuck Anderson was selected to the first team and Ron Schrubbe to the second team.

With only four returning lettermen, the season of 1957, Coach Tolkan's last year as coach, was entirely a building year. Despite the lack of experience, the 1957 Cross Country team did very well, with the sophomores turning in fine performances. After winning three out of five dual meets, Washington's Harriers finished sixth in the City and eleventh in the State Meet. Ken Kellenberg and John Birmingham placed 16th and 25th in the City Meet respectively.

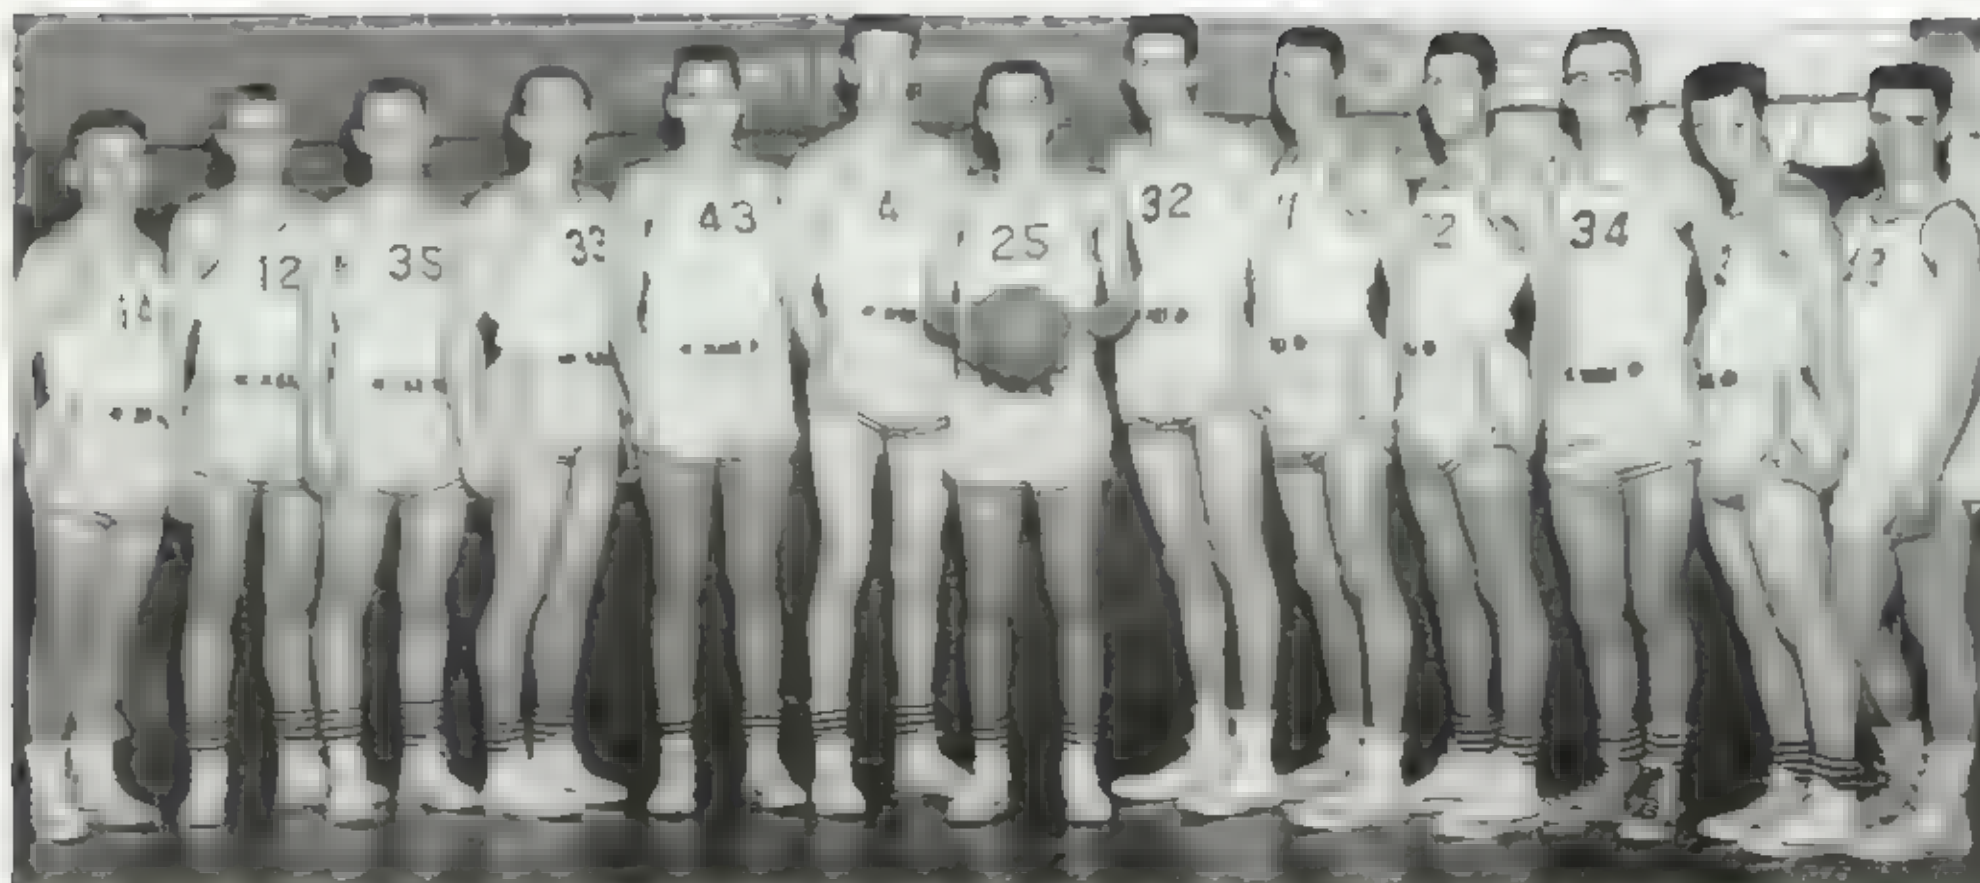

The B team turned in a fine performance in the B team City Meet, finishing fourth. Jerry Allen and Ron Buettner finished fifth and ninth respectively.

At the close of the season Coach Tolkan relinquished his duties to Coach Potochnik.

The 1957-58 basketball team was the best in many years at Washington. The team had everything that it takes to make a good basketball team: height, speed, and the desire to play. Although the team didn't quite win the city title, it was a great team and a credit to the school.

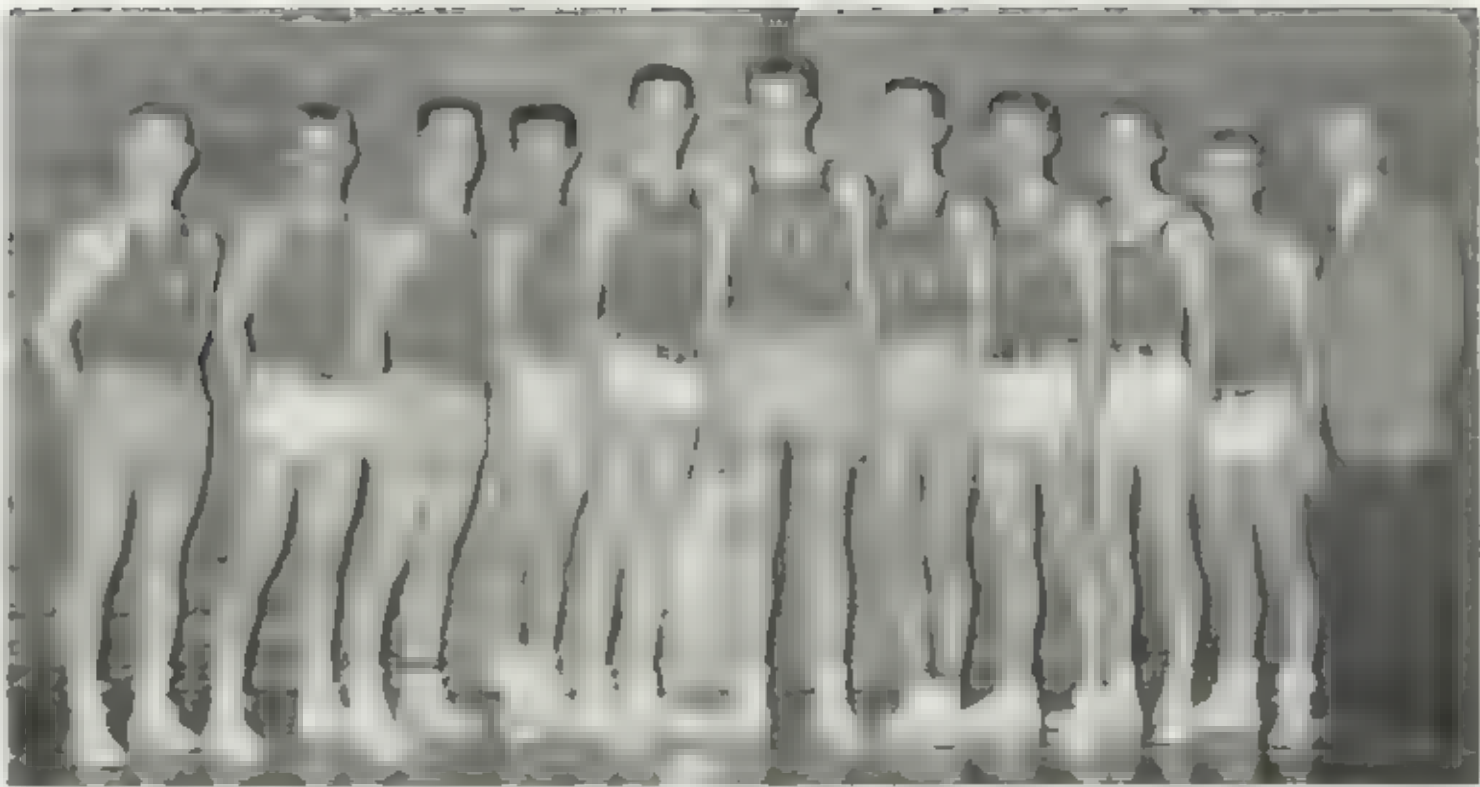

The team started the season strong by winning its first nine games by large margins. The season then reached its climax when the Patriots faced the North Bulldogs. Going into the game, Washington was rated eighth among the best high school teams in the state, and no opponent had come close to beating them. However, North was ranked second in the state and was tied for first with us, both having an 8-0 record in city competition. Playing before a crowd of standing room only, Washington fell behind by ten points early in the game, and at half time trailed 29-14. In the second half the team tried hard, coming within four points of North at one time, but finally lost out to a great North team, 80-70. The team went on to win their last three games and finished in second place behind North.

In the state regionals the team beat their first two opponents, Westview and Westview, by decisive margins, to reach the sectional finals. However, in the final game in Eastview, North, who were tied for second place in the state tournament at Madison.

After the season was over, junior forward, Ron Glaser, was a unanimous choice for the All City squad. Glaser was chosen for the second year in a row and proved his ability and value to the team by leading the league in scoring with 290 points.

THIRSTY!

Under the direction of Coach Champion, the 1957-58 swimming team had its best season in many years. After taking second place for five consecutive years in the Little City Meet, the team climaxed their season by finally winning it. The team was very well balanced and possessed a fine scoring punch in all events. In the City Meet, Washington finished third behind Pulaski and Custer. Allan Robb took a first in the 100 yard backstroke in both the Little City and City Meets. He set a new city record in this event with a time of 1:05.5. Bill Birmingham took first in the 100 yard butterfly and 200 yard free style in the Little City, and a second in the 200 yard free style in the City Meet. In the State Meet our Tonian narators finished eleventh, while Robb took a third and Birmingham a fourth.

1957 TRACK

CITY CHAMPIONS

The 1957 Track team under Coach Ahl turned in many excellent performances. The highlight of the season was the clinching of the City Track Championship for the second year in a row.

In the Indoor City Meet, a new event our Tommen cindermen finished in third place behind King and East. During the course of the regular season, the team won all its dual meets and finished second in a triangular meet with King and East. In the North Relays, our trackmen finished second, barely losing to King, our chief rival during the season.

The State Sectional was a real delight for Tommen track fans as Washington qualified the individuals and two relay teams. Dennis Nerby finished second in the Class A pole vaulting event and Warren Seeger finished second in the 180 yard high hurdles in the State Meet.

The season reached its climax when the cindermen took City Championship in the City Meet. Ken Springer in the 220 yard dash, Warren Seeger in the 120 yard high hurdles, Bob Herro in the high jump and Dennis Nerby in the pole vault finished first in their respective events, while our relay team finished second.

The golf team under Coach Gettle once again had a very prosperous season in 1957. At the start of the season the team had only one returning letterman, but through constant practice developed into a good team. In the City dual meets the squad won seven, lost two, and tied one. In the City Meet the team took a third place losing second by just one stroke to Bay View. Washington was one of two teams to qualify for the State Tournament. The boys who carried the load for the team during the season were: Art Wick, Dennis D'Amico, Dennis Wolf, John Wehmeyer, and William Resnick.

The 1957 baseball team, under Coach Bilek, won its first baseball championship. The team completely dominated the entire league by leading in every hitting and fielding department.

The squad jumped off to a two-game lead early in the season by winning its first nine games. From then on the team was never challenged and went on to win ten out of its twelve remaining games.

The season reached its climax with a 3-2 victory over Juneau to clinch the City Championship.

The most outstanding individual performances were turned in by sophomore pitcher Terry Heinrichs and left fielder Kent Hromadka. Heinrichs pitched a no-hit game in game against Pulaski and allowed only two runners to reach base. Hromadka was second in the league in hitting with a batting average of .474. He led the league in runs scored with 26 and in hits with 30. He also went through the entire season without an error.

When the All City team was announced Washington again dominated it by having four players placed on it; Spiro Chaconas, second base; Dick Van Eerden, shortstop, Bill Savage, third base and Kent Hromadka, left field. Heinrichs won a second-team berth.

Mrs. Miller, J. Barwind, S. Mercer, C. Galbraith

The opportunity of learning to give and take is given to every girl as she participates in the many sports offered in the Girls' Athletic Association.

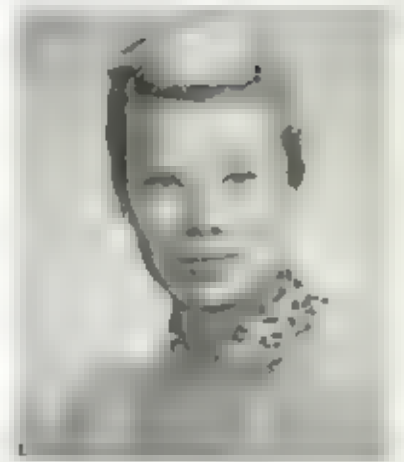

The girl who is a member of G.A.A. obtains skill in sports, as well as physical and social development. Fair play and sportsmanship play a big part in the activities which take place. The girl with all-around interests is always found among those taking part in the girls sports of Washington, and G.A.A. gives an opportunity to the girls of the school for sports activities, even though they are not in the spotlight.

This year in G.A.A., under the able direction of Mrs. Carol Miller, those who preferred individual sports competed in ping pong, badminton, tennis, and swimming. The team sports included basketball, volleyball, and softball.
